

1. Once we go live, on desktop OR mobile, head to your own page and create a status.

OR

Simply click **SHARE** on the live video, start Watch Party, and ignore the rest of the steps!

HOW TO LAUNCH A WATCH PARTY ON FACEBOOK

What's on your mind, Lisa?

Photo/Video

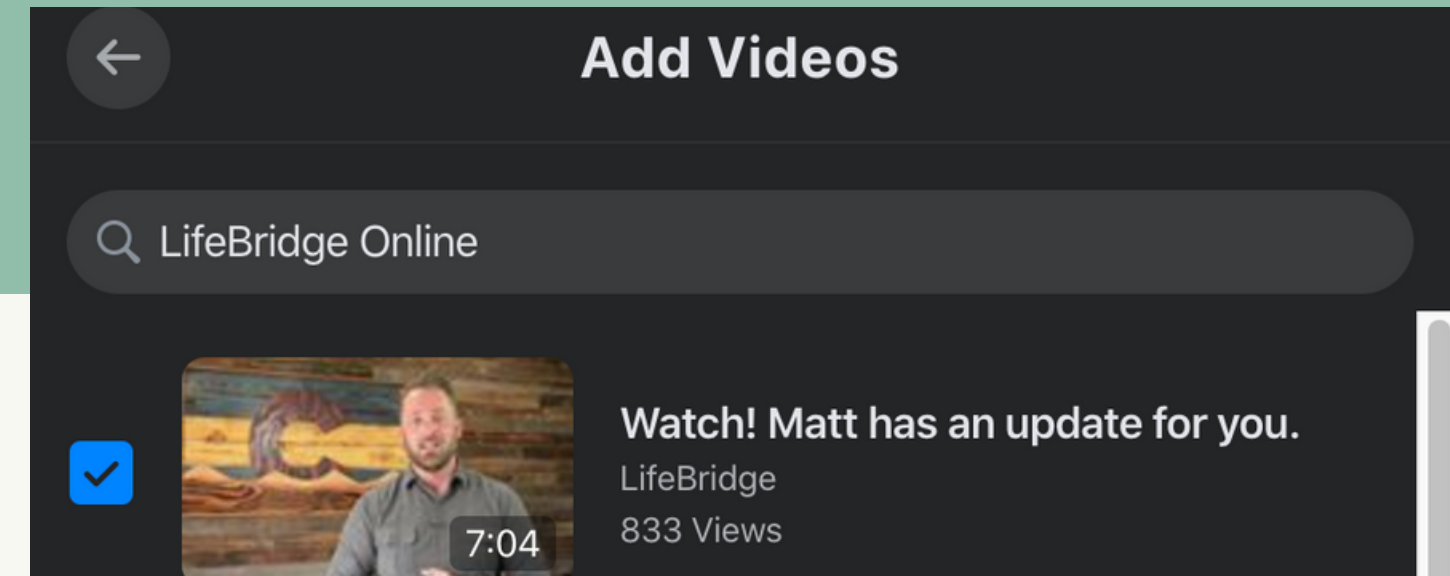

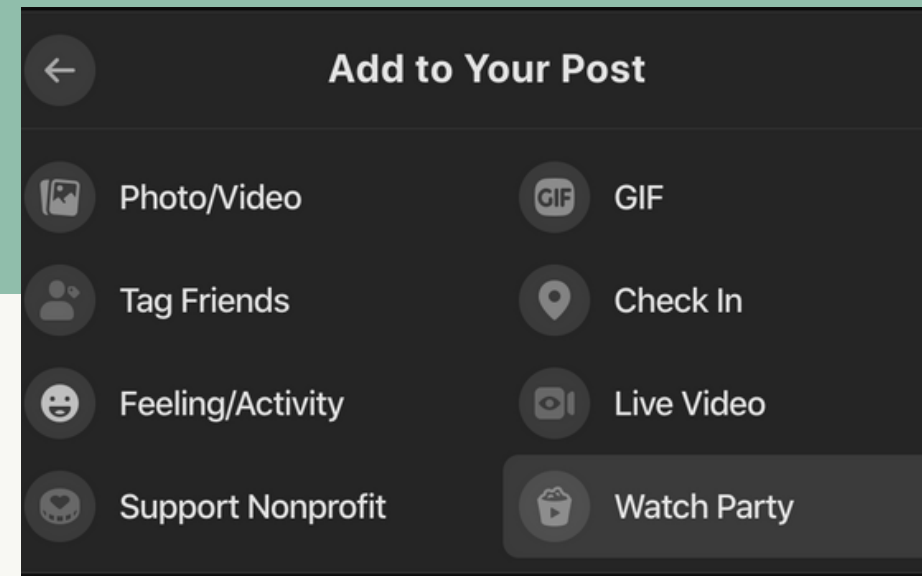

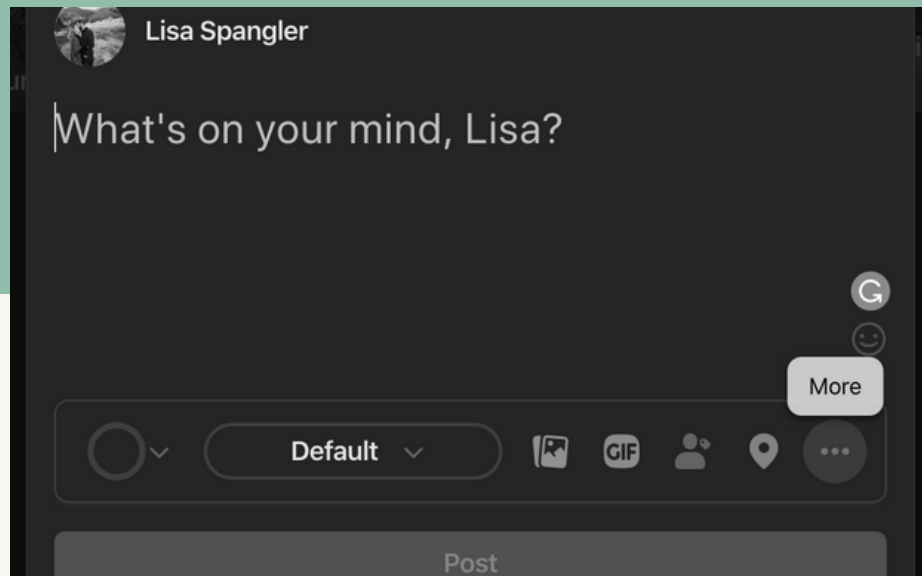

Tag Friends

Feeling/Activity

Next...

2. Select MORE

(If on mobile, simply scroll down until you see Watch Party.)

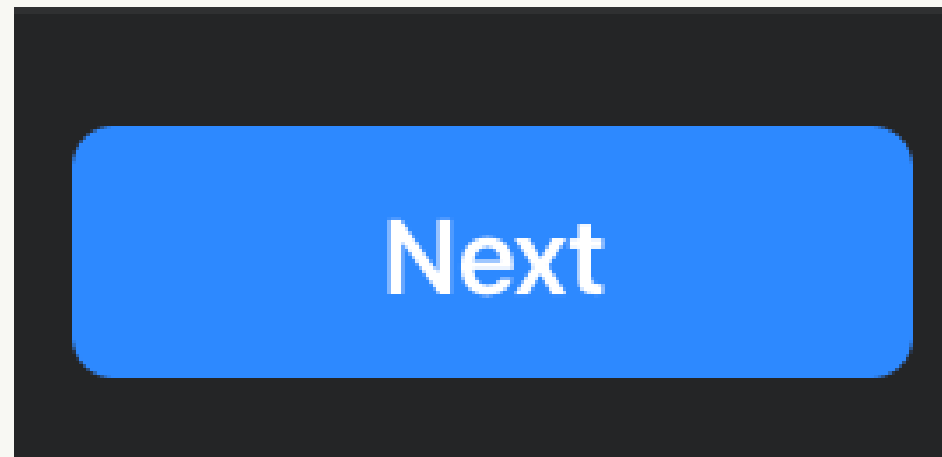

3. Desktop only

Select Watch Party. Mobile has already completed this step.

4. Type "LifeBridge Online" into the search bar

When you see the Livestream service pop up, you can select it.

5. Scroll down and select NEXT
(On mobile, the button is at the top and is called DONE.)

ALMOST THERE

6. Write a caption if you wish,
tag some friends and family,
and then POST!
