

PRODUCTION DIRECTOR

Reports to: Creative Pastor

Department: Creative Arts Team

SUMMARY

To support the mission of LifeBridge by providing leadership and oversight to the tech and production department (audio, video and lighting) by helping to create an excellent online and in person experience.

WHAT YOU DO

- Lead team to ensure all technical components of weekend services including audio, lighting, video, volunteers, etc. are well planned and executed
- Partner with ministries to assist in the technical needs for their events and experiences
- Work with creative team to plan and execute new stage designs
- Build new relationships and community of volunteers
- Manage contract staff in the tech and production ministry
- Evaluate and recommend options to meet all technical needs while staying within budget
- Collaborate with creative team to build creative solutions for helping people take their next step with Jesus
- Work in conjunction with leadership team and creative team members by providing creative brainstorming and training as needed
- Drive tech and production initiatives from conception to completion, working with key staff members

WHO YOU ARE

- Continually growing in your relationship with Jesus and fully supports LB's statement of faith and beliefs
- Ability to translate vision into creating a seamless online and in person experience from tech/production
- Strong ability to find solutions in high stress situations
- Ability to keep within project deadlines and budget
- Can handle multiple details
- Enjoys being part of a team

PREFERRED EXPERIENCE

- Minimum 3 years of experience in live audio, lighting, and video leadership
- Strong technical/production skills, specifically in the area of live audio
- Additional gifts in the area of pre and post audio production, lighting design and/or video production are a tremendous benefit.
- Experience in broadcast both live and online is a huge plus
