

# Supporting our caregivers impacted by the Marshall fire

Centura Health is opening donation centers to support our associates who experienced total loss from the Marshall fire. To ensure support our people in meaningful ways, we have put together this list of donation items and ask that **all donations be new, not used**. If you prefer to make a cash or gift card donation, please visit the AAH Foundation website: [www.rmahf.org/avista](http://www.rmahf.org/avista). Donations may be tax deductible; we recommend you speak with your tax advisor for details.
