WHAT YOU DO

Volunteer Team: Recruit a robust team of engaging Connections volunteers who love Jesus and His people, equip them to think and respond the way staff would in every situation, develop them into high-capacity, self-motivated, collaborative activators, and lead them to accomplish the mission together as one team.

Develop and Implement Connection Strategies: Create and execute comprehensive strategies that connect each individual to other people, environments, and opportunities that lead each unique person to grow in their relationship with Jesus.

Sunday Connections: Oversee and manage our connections environments (parking lot, patio, lobby, and auditorium) where guests have the opportunity to connect to others, staff, events, and other discipleship opportunities. This includes effectively implementing and using digital tools to track and engage guests once they leave the campus.

First-Time Guests: Create and execute a connections pathway for first-time guests, identifying and helping them to connect, take care of their needs, help them identify their next steps, and take the necessary actions to support them in doing so.

Connections Ministry: Provide direction, leadership, care, and accountability for the Connections Team. Schedule Connections Team volunteers for all services and events.

Training and Development: Provide regular inspirational and practical training sessions for volunteers and leaders to enhance their skills in creating welcoming environments and fostering meaningful connections.
